Hi Rick -

Wellington's attorney has made a new offer: you can use five Wellington documents but have to remove references to Wellington and peoples faces. I know this is unacceptable but at least it's an opening. She is talking about filing a motion for an injunction to force you to return the documents and take down all Wellington documents from your Facebook page if we don't reach a settlement. I think we have an opportunity to get a deal here maybe with 10-15 documents if that is doable. They are adamant that you must remove the brochure for The Hartford though, as they claim that is not public.

Let me know what you think. Also if they're wrong about The Hartford brochure, let me know.

Joe

Hi Joe. I'm hoping that when we left you picked up a pocket folder with some documents I brought today. Please let me know.

Thanks and have a good weekend.
